Dear Ms. Dodge:

On January 27, 1999, you were notified that a review of the above-referenced report(s) raised questions as to specific contributions and/or expenditures, and the reporting of certain information required by the Federal Election Campaign Act.

Your February 2, 1999, response is incomplete because you have not provided all the requested information. For this response to be considered adequate, the following information is still required.

-Your amendment received February 2, 1999, includes an amended Schedule B. The schedule discloses changes to the designations for contributions made to the campaigns of Shawn Terry and Brent Winters. Additionally, your amendment received February 16, 1999, states that the candidate committees will refund the excessive amount of your contribution(s). Furthermore, you claim that the committee met the requirements for multicandidate status in June 1998 (before the contributions in question were made). To correct these excessive contributions, you need to verify the date that the committee met multicandidate status (see enclosed FEC Form 1M). Alternatively, you may provide the date of the refunds received from these candidate committees. The refunds would be reported on Schedule A supporting Line 16 of the report covering the period during which they are received. You may include a photocopy of the refund checks in response to this letter. Please amend the appropriate report(s) based on the course of action selected.
